What an odd ending to your time at Oasis Academy Nunsthorpe!

This year there is no Leavers' Assembly; no one signing school shirts; no crying parents! One day we will look back and see that we are making history that future Year 6s will learn about but, today, we are missing you. We are missing saying goodbye in person, and giving you a hug.

When we can, we will invite you back in for a celebration of YOU.

This letter is FOR YOU, to make sure you know all the things WE know about you.

Love Mrs McGuire and all your adults x

These things we know

You are part of our school family and you will be, forever. You have a little bit of purple in your heart that will never, ever leave you. We are here whenever you need us.

You know how to look after yourself. Eat well, sleep well, exercise. Keep physically and emotionally healthy. Keep happy and safe. If things are difficult, ask for help. FIND YOUR BRAVE.

You know how to look after each other. That's REALLY important. If you know someone is struggling, get them help. STEP UP. Don't ignore them.

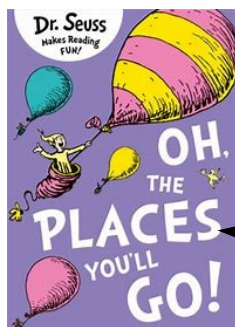

You know how important you are. Never forget that. Walk tall.

You know you are worth more than all the money in the world. Hold your head high and remember how precious you are.

Thank you for coming in to meet with Mr Hiscock. He has LOVED spending time with you and helping you get ready for your new schools.

You are GOING PLACES. You have everything you need to be successful. You know how to work, and be your 'best self'. You know how to manage when times are hard. You know how to be kind, and patient, and joyful. You know how to be the person you want to be. You know how to make yourself PROUD. We are already so very proud of you.
