Katie McGuire
Principal

Welcome back! Isn't it nice to get some normality back and have all of our Year Groups happy and healthy and in school. A big welcome to all of our new families. It's great to have you with us. I am so looking forward to being able to invite you back into school—it's been so long since we held an event. We are kicking off with our Firework Night on the 3rd November so look out for more details!

NURSERY PLACES

Did you know our Little Nunsthorpe nursery now has both full time and afternoon places available? We take your treasures from the age of 3.

Get in touch to book, have a look or find out more!

Morrisons have developed a schools programme to inspire children to get outdoors, grow, learn and enjoy fresh produce. They want to enable the next generation to grow food themselves. Because the more kids know about how food is grown and made, the better they'll eat, now and in the future.

HOW CAN YOU GET INVOLVED?

From September, for every £10 spent in store or online, you'll get one Grow Token that your local school can then redeem for a wide range of gardening equipment.

You'll need to be a MyMorrisons customer to take part so make sure you download the app and select a school to donate your Grow Token too.

Finally, don't forget to scan your app or MyMorrisons card at the checkout every time you shop to receive your Grow Tokens.

IMPORTANT COVID MESSAGE

Fully vaccinated adults and primary children no longer need to isolate unless:

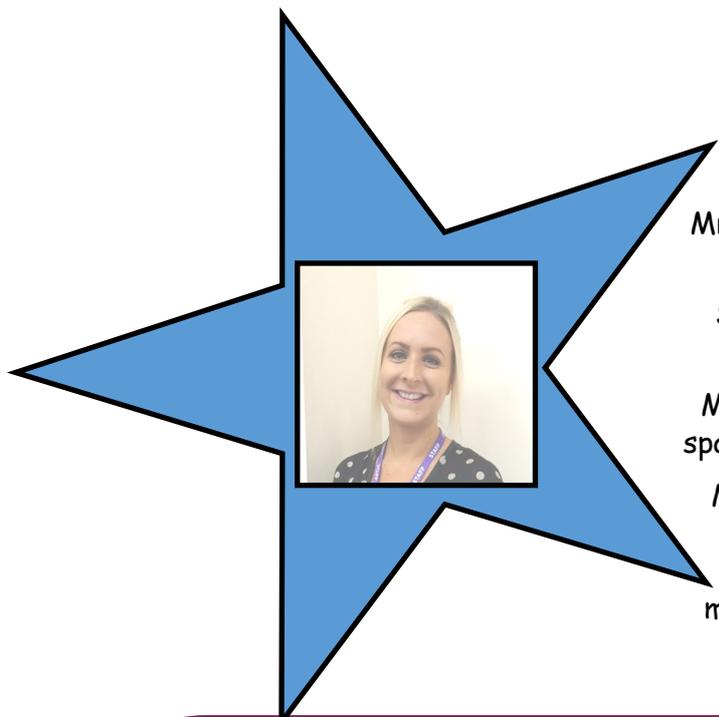

- They have symptoms themselves
- They have a positive LFT or PCR test
- They are told to isolate by NHS Test & Trace

YOU MUST let us know if any of these apply to your children. We are continually monitoring the number of cases and working with the NHS and Public Health England. We will follow their advice and let you know if they advise us to take any action. In the meantime, send your children in as long as they are symptom free!

SPOTLIGHT ON Mrs Berry

Mrs Berry is our new SENCO

Mrs Berry has been a SENCO for 7 years and came to us from a school in Brigg.

She has a Cat called Millie and her favourite food is Lasagne.

Mrs Berry loves going to the gym and reading in her spare time. Her favourite author is Dorothy Koomson.

Mrs Berry got married to Mr Berry in the summer holidays but she wasn't able to go on honeymoon because of Covid. The place she would like to visit most in the world is China, because of its different culture.

How We Do It Here

The Academy Day

Gates open at 8:30am. Children must be in class for registration at 8.50am. We have Talking Breakfast during this time, with toast and fruit free of charge for all! Members of staff are on the gates every day so you can have a chat if you need to. We are always ready to help. Hometime is 3:15pm. Please note that the gates will not be until 3:10pm.

Got an appointment during the school day?

Please make appointments out of school hours whenever you can. Where it is unavoidable, please let staff on the gates know so we can speed up your collection time. Don't forget to bring in those appointment letters or emails for us to see so we can give your children the correct attendance marks. Thank you!

Going to be absent?

We want ALL of our children in EVERY day of course, but you can report your children's absence by calling 01472 310013. You will hear a recorded message and then you can press option 1 to leave a message. Tell us your child's name and the reason they won't be in. You don't need to speak to a member of staff. It is our practice for Mrs Brown to visit your home when children are absent. Please don't be alarmed! She's here to help.

Somebody different picking up your child?

Please tell staff on the gate, or ring before 2pm so we can pass messages on. Keep those contact lists up to date as we check them to see if we are handing your children over to people you have authorised. Please don't be offended if we won't make a handover without checking with you. It can be frustrating, but safeguarding our children is a priority for both us and you.

Have you may have already noticed that we have re-opened the bike shed?

Children can now bring their bikes/scooters to school, the gate will be locked at 9:00 am so please don't be late! It will be reopened at 3:15pm.

PLEASE remind your child that bikes/scooters must NOT be ridden on the paths around the school. Thank you.

PROTECTING YOUR CHILD AGAINST FLU

We have a whole school vaccination programme taking place on November 26th. Please ensure you give your consent by visiting our website www.oasisnunsthorpe.org and following the link to North East Lincs Council. Consent must be give before the end of September.

Having the vaccine will help protect your child from what can be a very nasty illness.
