Oasis Academy Nunsthorpe is a GOOD school with OUTSTANDING features

We are delighted that finally you can say your children attend a good school! You can read the full Ofsted Report [here](#). I came here five years ago when the school was in Special Measures and with your support and a great staff team, we have turned it around. I know you will want to share in our celebrations, and we will have some information for you soon. In the meantime, we are hitting our 13 Days of Christmas celebrations! See the second page for details, and keep an eye on our website where the Christmas page will go LIVE on Tuesday!

LITTLE NUNSTHORPE NATIVITY

This year our children in Little Nunsthorpe will be performing a Nativity for their parents/carers. Invitations will be coming home next week and you will be able to book your tickets.

We are limiting each performance to 40 people only and would ask that only mums, dads or carers attend (not extended family) due to the current circumstances. Thank you.

The application process for children starting school for the first time in September 2022 is now open.

Applications must be made by January 15th 2022. You will be notified of your allocated place on 19th April 2022 by the Local Authority.

Parents/carers are encouraged to make their applications online via the North East Lincolnshire Citizen Portal. www.nelincs.gov.uk

Paper application forms have already been sent home but you can request another copy from the school office.

We have collected an amazing 2268 grow tokens from Morrisons. Mrs Turner is now able to 'buy' some new gardening tools. Thank you so very much.

A quick reminder that if you pay for school lunches and you would like your child to have our Christmas lunch on Thursday 16th December you MUST pay and then order before next, **Friday 3rd December**.

We held our first Student Council meeting on Wednesday.

All Councillors were elected by their peers and will meet once per term. The Council gives children an opportunity to develop leadership skills and share others children's ideas, interests and concerns with the wider school. Congratulations to everyone; enjoy your time on our Council!
