

What?	Reception maths workshop. Come and find out what your children are learning; help make some maths games and spend some time in class with your child, playing maths games. You will be fully supported by our maths lead, Jade Spicksley, as well as our Little Nunsthorpe lead, Antonia Leggett.
Why?	Research shows that 82% of parents say they don't know how to support their children with their learning, particularly in maths, and yet research also shows that children do better in school when their parents are involved.
Who?	The parents of Reception children, in Violet and Lilac class.
When?	Monday 27 th November 2pm-3pm
Where?	In the school hall – entry from the office
What do I do next?	You don't need to do anything – this is a free event.
